TEN QUOTES ON LOVE FROM ST. THERESE OF LISIEUX

1. "Miss no single opportunity of making some small sacrifice, here by a smiling look, there by a kindly word; always doing the smallest right and doing it all for love."
2. "Our Lord does not so much look at the greatness of our actions, or even at their difficulty, as at the love with which we do them."
3. "I understood that love comprises all vocations – that love is everything, and because it is eternal, embraces all times and places."
4. "To live in love is to sail forever, spreading seeds of joy and peace in hearts."
5. "Kindness is my only guiding star. In its light, I sail a straight route, I have my motto written on my sail: 'To live in love.'"
6. "Let us love, since that is what our hearts were made for."
7. "Love can accomplish all things. Things that are most impossible become easy where love is at work."
8. "Without love, deeds, even the most brilliant, count as nothing."
9. "I am the smallest of creatures and I recognize my own worthlessness, but I also know how hearts that are generous and noble love to do good."
10. "When one loves, one does not calculate."
